# Free Trip to Richmond and Return! October 9, 10, 11, 12, 13, 1906.

Fares Paid by Retail Merchants' Association, including Admission to State Fair or Horse Show

### THE PROPOSITION

This Association, desiring to make it easy for out-of-town customers to do their trading in Richmond, will, for the above period, pay the round trip railroad fares, including admission to State Fair or Horse Show, for distances of 100 miles or less of Richmond, on the following plan:

BUY \$30.00 WORTH OF MERCHANDISE in Richmond between the above dates, and if you live within 100 miles of Richmond your total railroad fare will be paid. If you live more than 100 miles distant, you only pay for the additional distance over 100 miles. To illustrate: If you come 110 miles, you pay for 10 and the Association for 100 miles. It is very simple.

You can make your purchases from any one or all of the stores in the Retail Merchant's Association, Inc., provided the total purchases amount to at least \$30.00.

Every line of retail business is represented in the Association, so that everything you wish to purchase can be supplied by our members, over 100 in number,

Richmond is the leading shopping centre of the South. The magnificent assortment of seasonable merchandise now on sale in the various stores at reasonable prices, will prove the most convincing argument for your coming here to buy. The trip will cost you nothing above your purchases, except your time for coming,

We earnestly invite you to do your Fall Shopping in Richmond. Try it, and we know you will come again.

## How to Take Advantage of This Offer

Buy a round trip ticket to Richmond on account of the State Fair and Horse Show. The price is one fare plus 50 cents. When in Richmond look for the Retail Merchants' Association Card, which will be in the windows of our members. Before making your purchase at the first store you deal with, ask for a rebate book and have your purchase entered therein. Present this book in any other store belonging to the Association where you make purchases. When through shopping, if you have bought \$30.00 worth or over, present your book and return trip portion of railroad ticket at headquarters Retail Merchants' Association, and the cost of your round trip ticket will be

#### SPECIAL NOTICE

Only purchases made from firms who are members of the Association can be entered in rebate book. Remember to look for the member's cards in windows.

A book will not be issued unless return portion of ticket is shown. Only one book will be given for one ticket. You must ask for book at time of purchase. Sales will not be entered at any other time than when purchase is made. Don't forget this. Don't forget to have every sale entered (no matter how large or small) in each store you visit. Every little bit helps. Bear in mind you cannot get the refund unless total purchase is at least \$30.00. Buy as much more as you choose.

No city in the South has better shopping facilities than Richmond; our merchants are live and progressive, and this liberal offer to pay railroad fares places all who live in adjacent districts on the same basis as the residents of Richmond.
